## YOUR SUPPORT IS VITAL

It helps us to continue our campaigns to fight breast cancer, raise awareness, and improve the lives of patients and their families.

---

Did you know that  
**1 in 8 women**  
will be diagnosed with  
breast cancer in her life?

think  pink

Think Pink is the national breast cancer organization and aims to improve the lives of breast cancer patients and their families.

Think Pink has four clearly defined objectives:

- to inform and to raise awareness
  - to defend patients' rights
  - to fund scientific research into breast cancer
  - to fund care and aftercare programmes
-

**After the race, not a single duck will be left behind and will be reused for the next Pink Duck Race.**

**That's a promise to you, our planet, and the ducks.**

Supporting a charity can increase engagement between you and your customers, and your employees.

It can also help expand your partner network and improve your brand image.
